Instruments	Micros	Returns
<u>Battery</u>	<u>BD=D112</u>	
	<u>SD=SM57</u>	
	<u>OH=couple AKG451</u>	<u>1 circuit/wedge in courtyard</u>
<u>Piano 1 couple of statics</u>		
<u>Acoustic D</u>		<u>1 circuit/wedge in garden</u>
<u>Double bass</u>	<u>Direct out +451 according to the location</u>	<u>1 circuit /wedge back of the stage/center</u>

12 ways Console (reverb) + 3 circuits “returns”

The dissemination system is left at the discretion of the show organizer who will make sure to provide us with quality material, suitable to the place of representation.

Stage plan:

Balances: Need 1 hour 30 minutes for installation and balance of instruments.

The piano: an acoustic grand piano tuned on the day of the concert ex :

Steinway & Song, Bosendorfer, Burgasser,

Blutner, Etsey, Erard, Gaveau, Ibach, Roller et Blanchet, Pleyel, Irmler, Yamaha ...

or an upright acoustic piano type or equivalent ex: Yamaha U-3

Lodges.

Arrange a room where the musicians can get changed,

provide small snacks and drinks, small bottles of water that the musicians can bring on the stage.

Meals:

3 hot balanced meals served before or after the service,
or 4 hot meals if the technician is called upon for the service.
including 1 vegan meal, 1 meal without fish.

Accommodation

3 hotel rooms Single (single rooms).
Or 4 single hotel rooms if the technician is requested for the service.

Sound, lighting:

The trio can provide at the request of the organizer a sound system and lighting for about 300 people (except outside of France).

For more than 300 people the sound and lighting are the responsibility of the organizer. In case Frédéric Chopin Jazz Project trio provides sound and a lighting system, an additional cost has to be added to the initial invoice for the transport of the technician, sound system and lighting.

- transport costs (round trip for 1 vehicle / France / Brignoles (83), venue of the concert).
- If the transport requires an airplane trip, the equipment: acoustic piano, double bass, double bass amplifier, complete drums (without cymbals), sound system and lighting must be provided by the organizer.
